# Living in Sydney Australia

**Rosehill College is located in Sydney's main education area within a walking distance of Central Station and main bus interchange, which is easily accessible to all students living in different suburbs.**

We understand that living in Australia will be a new experience for international students. Every year Sydney welcomes a large number of international students, you'll always feel connected to a big support network. Chances are, you'll meet, mix with and share stories with not only Australians, but people from all over the world.

As a major city, Sydney is very well-connected. You'll find buses, trains and ferries that will take you through the city, and to mountain getaways, the countryside and beyond. Conveniently, trains also run from Sydney Airport to Sydney's Central Station.

Being a large, central city hub with a big population, there's plenty of jobs to be found in Sydney. Many Sydney-based organisations also actively look for student volunteers and host frequent Sydney student society meet-ups, international student gatherings and events. So, you'll have plenty to do.

## THE COST OF LIVING

Depending on your accommodation preference, annual living cost for Sydney is approximately AUD 20,000 (not including tuition fee). For example, a McDonald's Burger is AUD 6, mobile phone per month is AUD 20, a cup of coffee is AUD 4.

## WHERE WILL I LIVE

Rosehill College is a partner with the largest homestay network in Australia, and we work with students from Japan, China, Europe and South America and a range of other locations. We are seeing more and more international students arriving in Sydney and are actively searching for quality homestay hosts to provide accommodation.

# Working in Australia

Working while you study in Australia can help complement your study and living experience. You might want to take part time work while studying to assist with living expenses and gain work experience. Most student visas allow you to work for up to 40 hours every two weeks while your course is in session, and unrestricted hours during any scheduled course break. However, before you undertake any paid work you need to make sure your visa allows you to work. First priority is your study timetable and working is secondary. Ensure you are not working when you should be at College.

If you have qualifications and/or professional work experience, you may be able to find casual or part time work in your field.

Australia has a wide range of industries that provide part time employment opportunities.

- Retail shops
- Cafes, bars and restaurants
- Hotels and motels
- Sales and marketing
- Office administration and so on
